# DEDICATION

Whereas the British North America Act of 1867 established one Dominion under the name, "Canada" on the first day of July, 1867:

And whereas the Colony of British Columbia, on the twentieth day of July, 1871, became a Province of the said Dominion:

And whereas the centenary of Our union with Canada is being commemorated with appropriate ceremony throughout this year within Our Province:

And whereas it is considered to be and is deemed right and proper that the citizens of British Columbia should be afforded the opportunity humbly to render thanks to Almighty God for the generous gifts of nature . . .

NOW KNOW YE THAT WE do dedicate this book to the Province of British Columbia on this the Centennial of its joining the Dominion of Canada.

## SECOND HONOURS

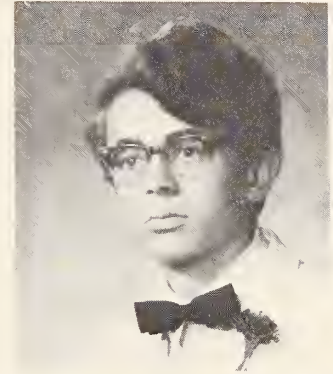

The students of Vancouver College made an enviable record in the 1970 Departmental Examinations. Altogether twenty-eight students achieved honour status. Fifteen of these achieved first class honours (80 o/o and over). Garry Mitchel with a 97 average and Richard Bacchus with a 96 were among the top ten students in the province. Special mention goes also to Bob Godfrey (94.5), Bob Duncan (94), and Les Csanyi (90). One student especially deserves our congratulations — Mike Redmond who got the highest mark in History (99) in the province.

There is an added incentive to achieving honours in the Departmental Examinations. Those who receive first class honours get three-quarters of their university fees paid and those achieving second class, one half.

The Departmental Examinations are a culmination not only of the Grade 12 year but also of twelve years of learning. All in all the students of the Class of 1970 served themselves — and College — very well.

# ***ACTIVITIES***

Within the following three pages are pictured most of the Collegian staff who are responsible for the book you are now reading. There are six main sections of the Yearbook — Seniors, Sports, Business, Classes, Activities and Elementary School.

Each of these six sections has an editor and at least one assistant. It is up to each editor to make sure that his section meets its deadline. They each have to aim to have the pictures on their pages show the right contrast and the proper focus. There has been many a night or weekend when editors have had to wait around while their pictures were done to perfection, the copy was corrected and typed, and everything laid out correctly.

On top of the six section staffs, there are the photographers, darkroom staff, copy editor, files editor and, last but not least, the editor-in-chief.

# THE COLLEGIAN

David Nixon, Bob Whalen, and Mike Cliffe kick up their feet after a hard day in the Yearbook office.

Randy Jang lends a helping hand to John Herring's plight.

Ralph Wimmer helps Rodney Cox choose a picture while Terry Bogyo looks on approvingly.

"Dog is spelled D-O-G and not D-A-W-G!" explains Br. Walsh to Michael Cliffe.

Brother Lyons and Gary Osborne ponder over the lens adjustments of the Mamiyaflex which they are holding.

Ron Norman scrutinizes Greg Andrews' layout before it goes before Br. Lyons' eagle eye.

"No one will believe that this picture wasn't posed," comments Paul Jull (right) who is hovering over Frank Hokhold and Brian Caron (seated).

# THE VOICE

**SEATED, From Left to Right:** Mr. D.J. Mullen, Moderator; Dave Mills, Reporter; Kerry Philley, Reporter; Dave McGivern, Reporter; Max Fraser, Editor; Pat Gleeson, Reporter; Dan Murray, Associate Editor.

**STANDING:** John Lenehan, Reporter; John Schretlen, Reporter; Chief Dixie, Lovelorn Editor; Tim Nixon, Reporter. **ABSENT:** Dave Ellis, Typist; and Kevin Finnegan, Reporter.

The VoiCe is College's student newspaper. It appears approximately three times every two months, with news, interviews, sports and cartoons of interest to students and faculty. One popular feature is a sham advice-to-the-lovelorn column.

The paper operates out of a Lannon Hall cubbyhole that makes up in atmosphere what it lacks in amenities. Staff is drawn mainly from Grades 10, 11 and 12. Besides a regular crew of editors and writers, the VoiCe has a number of contributors who take part in other activities but lend their talents to the newspaper. Most noteworthy contributor is busy artist Brent Lynch.

Frank Hynes (reporter) and Leo South (columnist) look on as Greg Koch (typist) proves that it is more or less possible to type with one finger.

## ***JUNIOR RESIDENT STUDENTS***

There are about sixty junior boarders in residence here this year. They come from all over and their interests are as varied as the towns they come from. The task of keeping such an active lot in line falls to Brothers Kelly and Rose. With their guidance, the boarders learn to apply themselves diligently to both their recreation and their studies.

#### Compliments of

DR. O.E. KIRBY and RICHARD M. HAUGHIAN

The Senior Resident Students make up a major segment of Vancouver College. Under the watchful eyes of Br. Cassidy, Br. Carrothers, and Br. Angel, the Resident students lead a life subtly different from that of the day students.

The main difference is that they are supplied with a substantial amount of supervised study with the library at their disposal. While not in study they are on free time in which they may play pool, cards, read, watch T.V. and listen to the stereo. But all is not pleasure, as they are obliged to keep their dorm neat and tidy.

The Resident Students also receive a modest amount of exercise in bi-weekly basketball and floor hockey games. Father Neilson is also available for Mass. This program successfully rounds them out mentally, physically, and spiritually.

Norm Gallagher and Don Gorman relax with a couple of good books.

The "Old Devil Moon" draws Woody (Brian Bergstrom) to Sharon's (Debbie Culos) side.

Finian (Larry Ozero) gets a stern lecture from leprechaun Og (Anthony Bekenn).

# ***FINIAN'S RAINBOW***

Last year, Vancouver College and Little Flower Academy Drama Clubs combined forces to put on a full scale Broadway musical – FINIAN'S RAINBOW. Under the general direction of Brother P.P. McNiven, and with Brother Taylor as music director the cast rehearsed for several months. Two days before the opening night, cast and crew, numbering over 120, took over the Metro Theatre. The net result was a four-night sellout run in front of a combined audience of over 1600.

Senator Rawkins (Carl Wimmer) discusses the fate of Rainbow Valley with Buzz Collins (Paul Cowhig).

Og tells the children of Rainbow Valley about "Something Sort of Grandish."

## COUNCIL

Compliments of

BANK OF NOVA SCOTIA and  
MR. AND MRS. D.F. STACK

The Vancouver College Student Council is composed of first and second representatives from each of the high school classes. This organization, and committees appointed by it, are responsible for such activities as school masses, dances and social events.

This year's council, headed by president Jim Redfern and vice-president Max Fraser, began its term of office by raising some capital with which to work. The main sources of revenue were a highly successful raffle and a newly initiated student council assessment. The raffle funds were directed towards improvement of athletic and physical educational facilities while the assessment money was reserved for the financing of social activities.

John Herring and Jim Redfern, who ran this year's Student Council raffle, with Bob Whalen, the winner of the draw for those who sold more than two books of raffle tickets.

The weekly luncheon meetings help to keep the council active.

The function of the United Nations Club is to promote better understanding of world affairs. They achieve this by holding a model United Nations Assembly every year.

To this model Assembly come delegates from schools not only in Canada but also from the United States.

This year the Assembly was honoured to have as its guest speaker the Right Honourable Mitchell Sharp, Minister of External Affairs and Deputy Prime Minister of Canada. After a very interesting and informative address, Mr. Sharp opened the floor to questions.

Under the leadership of the U.N. Club's president, David Nixon, and his executive, this year's Assembly went extremely well.

This year the Art Class was lucky enough to get the helping hand of seven experienced artists from the Vancouver School of Art. They are Drew Burnham, Arnold Shives, Chris Dahl, John Perkins, Mr. M. Simmons, Robert Urquhart and Donita Beckman. Under the supervision of these talented teachers, the Art Class was enlarged from oil painting and sketching to include pottery and silk screening. Congratulations for a job well done.

## DEBATING SOCIETY

The Debating Society was one of the most active groups at College this year. They started the year with their own invitational debate in October, followed by the Parliamentary Workshop in November, the Newman Cup debates in February, the Provincial Championships in March, and an all out effort in the National Debating Championships in Port Hope, Ontario, in April. The society's officers are: President, Kevin Finnegan; Vice-President, Seamus O'Melinn; and Secretary, Ron Dumont. Mr. Kavalec acted ably as moderator.

The Society's aims are to instill in its members a spirit of public speaking that will carry over into their future.

Help comes too late for a Maple Ridge back as he suddenly finds himself dropped by Pete Giroday and Lorne Hugh.

'70

Cody Pantages, protected by Max Fraser and Mike MacLeod, finds plenty of time to spot an open receiver.

The Maple Ridge quarterback, stymied by the College defense, looks to the bench for help.

Cody Pantages, protected from further trouble by Len Soet and Roger Robillard, finds enough time to get the ball away.

Paul Spelliscy gets ready to stop another opposition assault.

This year Vancouver College was introduced to a new coaching staff. Head coach Chris Beaton, along with his assistants Joe Bell, Rick Sugden, and Rick Dube put together a very capable football team.

The Irish began the season meeting some tough opposition at Oak Harbour and were beaten. Back from across the border, and in friendly territory the Irish handed a strong St. Thomas More team a 28-6 defeat.

Next the Irish made their second of three trips south of the border to meet longtime rival O'Dea High. The two teams fought it out; ending in a 12-12 draw. The Fighting Irish were looking better and better now and when they met Maple Ridge they were seeking to avenge last year's defeat by the same Ramblers. They proceeded to annihilate Maple Ridge.

The Irish then played two very poor games. The first against a very strong J.F. Kennedy team of Seattle and then against the Centennial Centaurs. They lost both. The Irish then ended their season against the best Notre Dame team ever, and as a result, were defeated by the bigger Juggler team 48-0.

There were many great efforts on this year's team including those of co-captains Frank Hynes and Max Fraser as well as the efforts of Cody Pantages and Dave Kosick. With so many players returning, the Irish are eagerly awaiting next season.

# ***FRESHMAN FOOTBALL***

Mike Munsie directs a Freshman team workout.

The Freshman football team combined the coaching of Mike Munsie and Mike Stevens to produce a relatively good year.

The Freshman team with a win and a loss against a strong Montgomery team, and a loss to Notre Dame gained rewarding experience that will be of use in future years.

Watching this team in practice must have been very encouraging to the Varsity coaches. The Freshmen worked hard in practice and in a few years, should make a very competitive Varsity team.

Down, Set . . . . !

# J.V. FOOTBALL

The Junior Varsity football team this year had a fine season. Despite tough competition and a few disastrous losses, they came through in fine College fashion to nail down second place in the Junior Varsity Skyline Football Conference.

Their season opener this year was less than successful. They suffered a 32-0 defeat at the hands of Sehome, but came off the field with hopes of better things to come. After some hard practices, they started to move up in the league standings, ending the season with a two win, three loss, one tie record.

Offensively, the team had a bit of trouble early in the season against some scrappy defensive lines, but came through nicely to defeat Montgomery and St. Thomas More by scores of 14-8 and 8-0 respectively.

On the defensive side, the J.V.'s had a very tough line, as witnessed in the Montgomery and St. Thomas More games, as well as the Como Lake scoreless tie.

All in all, coaches Dan Mullen and Stan Ciok have molded a very competitive team to pass on to Varsity coaches Mr. Beaton and Mr. Bell. Indications show the Future Irish will be a very strong team.

Gardner Day breaks loose again.

Steve Sweeney leads a sweep around the right end.

Four defenders demonstrate the reason the J.V.'s were successful this year.

Under the coaching of a new member of the staff this year, the Fighting Irish proved to be a very strong team.

With the aid of Brother Cassidy's experience, the Varsity team got off to a fine start. They won their first four games, with their first loss coming at the hands of a strong O'Dea team. The loss didn't get the team down though, for they took the Wildcat Tourney with two easy victories. The Fighting Irish didn't fare as well in their own tournament, however, being upset by Burnaby Central in the final game.

However, the Irish bounced right back with a win over Hillside and Winston Churchill to sweep the Churchill Bulldog Tournament.

The Fighting Irish had their troubles against the Cross-Mainland League teams though. With the Cross-Mainland League having the strongest teams in B.C., the Irish could only produce a 2-8 win-loss record. Even with their poor showing against the top teams in B.C., the Varsity team swept through the Independent League beating both Notre Dame and St. Thomas More twice; thus assuring themselves of a spot in the Pennsylvania Tournament.

Finally hitting their stride in this tournament, they beat Point Grey, Burnaby South and New Westminster to emerge the undisputed Lower Mainland Number One champs. This gave them excellent seeding in the B.C. Provincial Tourney as may be seen on page 90. At this point tournament madness overcame them and they became invincible – almost, that is – until the last minute of the last game.

Standout members of this year's team were Nick Gallagher, Rick Wilander, and Paul Spelliscy with their strong offensive stability, while Cody Pantages, Tim Mylett, Marc Lavertu and Jim Redfern were the defensive standouts.

Paul Spelliscy gets the jump on a determined opponent.

FRONT ROW: Moderator Brother Dawe, Mike McLaughlin, Mark Simpson, Bert Zethof, Dave Mills, Nick Gallagher, Marc Lavertu, Coach Brother Cassidy. SECOND ROW: Angel Lostale, Manager; Cody Pantages, Rick

Wilander, Brett Haughian, Paul Spelliscy, Jim Patterson, Tim Mylett, Jim Redfern, Peter Lostale, Manager.

Despite a broken nose earlier on in the season, Nick Gallagher was still in on a lot of the Varsity action.

## ***VARSITY BASKETBALL***

Rick Wilander moves in to intercept a pass.

Tim Mylett combines talent and desire to booster Irish offense.

Rick Wilander and Paul Spelliscy combine to harass the opposition.

Cody Pantages at the foul line.

Celebrations are in order following College's win over Burnaby South.

# JUNIOR VARSITY

**BACK ROW:** Greg Jarvis, Ed Kazun, Peter Hopkins, Tom Wylie, Mike Lindsay, John Lenahan, Mike Mylett. **FRONT ROW:** Joe Antonelli, Manager; Dave Baker, Dave McGivern,

Dave Hancock, Adonis Garcia, Yak Crame, Marc Gawthrop, Manager.

The Junior Varsity, under the coaching of Mr. Crame, had a successful 28-5 win-loss record. With the fine play of co-captains Dave McGivern and Paul Hopkins, and the accurate shooting of "Yak" Crame, the J.V.'s won the Independent and Commercial League titles.

The highlight of the season was the trip to Penticton, where they won the Penticton Tournament.

Everything looked assured for the B.C. Tournament, but the favoured Irish lost out early in a 50-49 upset to a strong North Delta team.

Coach Crame explains the game strategy just before the jump.

BACK ROW: Larry O'Brien, Joe Rogers, Carson Tipper, Chuck McIntyre. FRONT ROW: Tom Clarke, Brian MacNeil and Brian Dick. ABSENT: Brother Kelly, Coach. FOUR ON THE FLOOR: Trophies won in various tournaments and playoffs.

Mr. Beaton, first year coach of the Vancouver College Freshman team, is justifiably proud of the team's excellent 35-3 win-loss record. The fine record enabled the Irish to claim the Freshman Independent League title, and put them into contention for the Commercial League title. This team is doing a good job of keeping up the Irish tradition of producing high calibre basketball players.

# MIDGETS

## B.C. CHAMPS

The members of the Midget team are all in Grade 8 and they have probably the finest coach of Midget teams in the history of B.C. — Brother F.J. Kelly. First they won the C.Y.A. Grade 8 title, then they widened the field and won the Lower Mainland Midget trophy, finally taking on the whole province at Cumberland late in March. They beat St. Anthony's of West Van 39-19, then the Victoria champs 32-29 and the Penticton champs 42-19. They then had to play St. Anthony's again and repeated the first performance 32-15. Brian Dick and Carson Tipper were standouts in the tournament.

## FRESHMAN

FRONT ROW: Rich Needham, Andy Hokhold, Andy McKinnon, Chris Stradiotti, Rich Negrin, Marsh McLeod, Rob Stevenson, Coach Chris Beaton. BACK ROW: Joe Greene, Steve Andrews, Mike Bauer, Steve Leahy, Jim Callaghan, Mark Bitz, Manager.

# INTERMEDIATE BASKETBALL

FRONT ROW: Coach Br. Cassidy, Mark Simpson, Brett Haughian, Gary Shotton, Jim Patterson, Peter Lostale, Manager. BACK ROW: Tim Nixon, Paul McGivern, Bert Zethof, Dave Mills, Mike McLaughlin. ABSENT: Dan Sullivan.

Brother Cassidy, as well as being in charge of the College Varsity squad, was again very successful in coaching the Intermediate to first place in the Cross Mainland League. The team aided by high scoring Bert Zethof and Jim Patterson ended the year with a 7-1 win-loss record. With the talent on this year's Intermediate squad next year's Varsity must be great.

The J.V.'s get in their pre-game warm-up.

Nick Gallagher just gets his shot off over the outstretched arm of a North Delta opponent . . . or did he?

The nervous expressions on the faces of the fans are completely justified for the situation — the squeaker with Centennial, 45-42.

B.C.'s biggest basketball show, the Provincial Tourney, moved to the Pacific Coliseum this year and College went right along to see that it was properly done — for the 21st time in 26 years.

The Irish took top honours for the second straight year in the Lower Mainland Tournament giving them a favourable berth in the B.C. Tourney.

After easily winning their opening two games, the Irish ran into the Centennial Centaurs, and it took the last frantic five minutes to prove their superiority before a large crowd.

The final against North Delta was undecided until the last minute when College had an eleven point deficit whittled down to three points.

Nick Gallagher made the first All-Star Team for his consistent, driving type of game. Paul Spelliscy and Rick Wilander were named to the second All-Star Team.

Marc Lavertu has a problem — Lars Hansen.

Brett Haughian's rebounding improved steadily during the tournament.

Rick Wilander drives for two more points, as the opposition looks on helplessly.

Mark Simpson sets a high mark for College at the Independent Meet.

Mike Dickinson waits for his official time.

Len Soet gets College's 4x400 Relay off to a fast start.

Under the coaching of Mr. Bell, the Track team is looking forward to a good year. Coming back, this year will be seniors Mike Dickinson, John Munsie, Bruce Hunter, and Larry Oleskiw. Also returning this year are Len Soet, Albin Dukowski and many others. Mr. Bell also hopes to bring in one or two other coaches to help out with the coaching duties.

In the few events run so far this year, College has shown to have a strong team. At the Achilles Indoor Track and Field Meet, Mike Dickinson and John Munsie came fourth and fifth respectively in the 800. College also placed high in the High School 4 x 400 relay, coming in third place.

Last spring at what is considered the major track meet of our schedule, the Independent Meet, the Fighting Irish track team fared very well. They won the Boys' aggregate trophy and placed second in the overall competition.

Standouts in the Independent Meet were Bruce Hunter, with wins in the 200 and 400, John Munsie, with a second in the Junior 800. There were many others who placed high in their individual heats.

This year the track team is working towards the Vancouver Relays and this year's Independent Meet.

The Vancouver College Alumni Association had their usual functions during the past year — a golf tournament (won by Ken Baxter) and the Annual Banquet (at the Airport Inn). In addition the Alumni Basketball Night and Smoker was revived quite successfully.

The winner of the 150-dollar Doctor David Steele Memorial Scholarship was Garry Mitchel. The Brother Walsh Bursary Fund was carried on for its second year and a presentation of \$1200.00 was made to Brother Bucher to help in paying fees for students who needed it. The amount the first year was \$750.00. Since 1972 is the 50th anniversary of the College a special Golden Jubilee Committee has been set up under the new president, John Brown, and it hopes to signalize the occasion with something impressive.

## it starts here ...and never ends

Education is a lifelong thing in a world subject to change without notice.

Many of tomorrow's careers haven't happened yet and few of today's remain the same.

Nowhere is change more a part of the challenge than in the telephone industry.

Only yesterday (in terms of man's history) was the telephone invented. Today, we have microwave radio repeater stations—you know them as communications satellites—parked 22,300 miles out in space and we use them for intercontinental telephone conversations, television programs and data flow.

Tomorrow, we'll harness the Laser, that concentrated beam of light with such fantastic potential for communication.

Such exciting happenings make education and the ability to continue to learn essential tools for the individual.

B.C. Telephone people are learning constantly because they're involved with, and challenged by, this rapidly-changing scene. They're helping to make change happen.

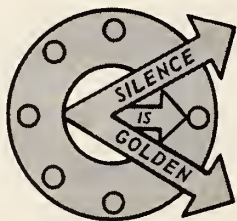

When you're ready for a career with challenge, talk to us. We're eager to discuss with you the many careers our company has, and will have, to offer.
